Jacksonville, Fla. – July 20, 2015 – Jimerson & Cobb, P.A. is proud to be named one of the 50 Fastest Growing Companies in Northeast Florida by the *Jacksonville Business Journal*. This is the third year in a row that the firm has received this recognition.

Jimerson & Cobb ranked No.17 in the list, with a 51.6 percent revenue growth.

“Our growth as a firm has come about only through the continuous effort and dedication of our professionally and personally committed employees,” said managing partner Charles Jimerson. “Their commitment has transformed our goals into reality. Our motivation is what got this firm started, but our commitment to superior legal services and adding value to our clients’ businesses is what keeps us going.”

Ranking is based on the company’s increased revenue percentage as audited and verified by the accounting firm Ennis, Pellum & Associates. Additional criterion for consideration on the list include:

- Must be privately held, locally owned and for profit.
- Must be headquartered in Baker, Clay, Duval, Flagler, Nassau, Putnam or St. Johns counties.
- Must have been in business since at least 2011.
- Must have had annual revenue of at least \$1 million in 2014.
