Jimerson & Cobb named one of “Best Places to Work” for second year in row

Jimerson & Cobb, P.A., is a business law, creditors' rights, construction litigation and banking law practice

Jacksonville, Fla. – June 12, 2014 –Jimerson & Cobb, P.A. is proud to be named one of the Best Places to Work in Northeast Florida by the *Jacksonville Business Journal*. This marks the second year in a row that the firm has received this recognition.

“We would most certainly not be on this list if it weren’t for our hardworking and fun-loving attorneys and staff,” said partner Christopher Cobb. “We do not consider ourselves a conventional law firm, and this award is indicative of the energetic personalities that not only comprise our firm but make it a truly fun place to work.”

The firm places a great emphasis on employee morale and has developed a comprehensive program geared towards light-hearted and team building events several times per month, including in-office mini golf tournaments, a Bob Ross painting contest and paper airplane competitions, among others.

Rankings for the list are determined by an independent research firm, Quantum Workplace, that specializes in measuring workplace satisfaction. Employees from small and large businesses are asked to answer questions regarding company leadership, morale and progress of their professional workplace. The list designates three categories for recognition: large businesses with 250 or more full-time employees, medium businesses with 30 to 249 employees and small businesses with 10 to 29 employees.

Formed in June 2009, Jimerson & Cobb is a Florida-based law firm that seeks to exceed client expectations through commitment to excellence and by adding value to its clients’ businesses.
