FEATURED IN THE 25<sup>TH</sup> EDITION OF THE BEST LAWYERS IN AMERICA**

*Jimerson & Cobb, P.A., is a full service business law firm focused on providing legal advice and enduring value to businesses of most any industry*

**Jacksonville, Fla. – December 3, 2018** – Jimerson & Cobb Attorney Christopher M. Cobb has been recognized by his peers to be featured in the 25<sup>th</sup> Edition of *The Best Lawyers in America*<sup>®</sup> for his high caliber of work in the practice area of Real Estate Law. He is Board Certified in Construction Law by The Florida Bar, and also practices in the areas of business litigation, construction litigation, community association law and commercial collections.

For over thirty years, *Best Lawyers*<sup>®</sup> has been regarded as one of the most credible measures of legal integrity in the United States. Inclusion in *Best Lawyers*<sup>®</sup> is based on a thorough and rigorous peer-review survey comprising over 7.8 million confidential evaluations by top attorneys in numerous practice areas. The *Best Lawyers*<sup>®</sup> founding principle has remained unchanged since 1983: The best lawyers know who the best lawyers are.

“I’m deeply honored,” said Firm Co-Founder and Partner Chris Cobb. “As I’ve developed my practice over time, it’s clear that quality counts. That’s why our firm takes no short-cuts. Thorough preparation before each case; accessibility at a time and place convenient to our clients; persistent development of our talents... these are just some of what differentiates the good from the best. Without exception, I’ve learned that achieving the results for our clients must always begin with a clear understanding of what success means to them. That helps you stay focused on what is their ideal resolution and deliver the best outcome possible.”

In 2017, Mr. Cobb was voted by his peers to serve as the youngest chairman in the history of the CILB and is also the first Division II consumer member to ascend to the chair position. He continues his construction licensing work by representing contractors, construction design professionals and individuals with applications for initial licensure, additional business qualification, disciplinary cases, petitions for declaratory statements and Florida Homeowner Recovery fund claims.
